About the Institute

Maharaja Institute of Technology was established in the Year 2008. MIT has strong identity among students and parents as the most credible and widely respected group of educational institutions spreading the movement of success and promotion.

Sj. Manoj Kumar Palo, Chairman of Maharaja Group of Institutions a visionary who brought about a revolution in the field of education in a state which was not only deemed economically back ward but lagging behind others in education.

Being pioneer in professional and technical education he sowed the seed which has grown into a huge tree today – spreading the movement of success. At MIT the windows of opportunity are endless for students with a positive attitude and cracking bent of mind.

Maharaja Institute of Technology emphasizes value-based education with golden opportunities and avenues. It is committed to provide an excellent qualitative and competitive education system to the ambitious and aspirant youth in order to develop analytical thinking and creativeness in them.

Program Overview and Objective

- Helps the Institution to know its strengths, weaknesses and opportunities.
- Initiates Institutions into innovative and modern methods of pedagogy
- Gives Institutions a new sense of direction and identity.
- Provides society with reliable information on quality of education offered.
- Promotes intra and inter-Institutional interactions.
- Helps to get International Acknowledgment.
- Helps the institution to have financial assistance from Govt./Public/Private sector for innovative research.
- At large it enhances qualities both in teaching, administration and research.
