

About Our Institution:

Gandhi Academy of Technology & Engineering is under the dynamic leadership of **Dr. Satya Prakash Panda**, chairman. It's a technical college with a vision is to be a world class knowledge enterprise with academic and professional excellence in technical education. Its mission is to produce engineers and researchers with technical expertise on par with international standards, professional attitudes and ethical values with the ability to apply acquired knowledge to have a productive career and empower spiritually to serve humanity. The institute is approved and accredited by AICTE, New Delhi, affiliated to BPUT, Odisha and recognized by Govt. of Odisha.

How to Reach Us:

GATE Berhampur is just 10 minutes away from heart of silk city situated besides the NH-5.

Scope & Objective:

This ICT based programme on “**Research Methodology**” is specially designed for faculty members from Degree Engineering Colleges. This course is to develop a research orientation among the faculties and to acquaint them with fundamentals of research methods. Specifically, the course aims at introducing them to the basic concepts used in research and to scientific social research methods and their approach

Eligibility:

The course is open to teachers of degree level technical/engineering colleges / institutions approved by AICTE.

Resource Person

Eminent professors from NITTR, Chandigarh and renowned professors from other different technical Universities.

Course Content

- To develop understanding of the basic framework of research process.
- To develop an understanding of various research designs and techniques.
- To identify various sources of information for literature review and data collection.
- To develop an understanding of the ethical dimensions of conducting applied research.
- Appreciate the components of scholarly writing and evaluate its quality.
